**FOLLOW-UP PHONE CALLS CHANGES:** Ann will continue to do it in April, but committee needs to decide what to do after that. Possibility: Caitlynn could hold onto each month's names and give to a different committee member at the end of the month. (Rotate calling duty.)

**Back-Up Greeters:** Need to remember to give guests name tags and have new guests fill out card information.

**Glade You Came Cards:** Caitlynn to send out to guests who came to Groundbreaking.

**Miss You Cards:** Ann to review list of former members to decide who we want to send these cards to.

**Rides To Service and Child Care position:**

Discussion about programs to provide rides to people who are not able to drive to service, and for a child care position during the service (RE is only one Sunday a month). Committee decided to suggest these to the Board. .

- **Monthly Newsletter:** Should be submitted the third week of the month to [info@tcuuc.org](mailto:info@tcuuc.org). Suggestions were to include in Newsletter invitation to become
